Skills

Programming Languages: HTML, CSS, JavaScript, Python.

Frameworks and Libraries: React, Django, Bootstrap.

Development Tools: Git/GitHub, Visual Studio Code.

Databases: MySQL

Soft Skills: Problem-Solving, Communication, Teamwork, Time Management, Adaptability.

Experience

COPHILD VENTURES / Intern

JANUARY 2024 - AUGUST 2024, OBA AKRAN IKEJA, LAGOS

- Web Development: Assisted in developing and maintaining the company website using HTML, CSS, and JavaScript, ensuring responsive design and cross-browser compatibility.

- Front-End Development: Worked with React to create dynamic and interactive user interfaces, enhancing the overall user experience.
- Back-End Development: Supported the back-end team by writing and debugging Python code for Django-based applications, contributing to the development of RESTful APIs.
- Database Management: Gained hands-on experience with MySQL, performing data retrieval and manipulation tasks as required by ongoing projects.

Education

Bachelor of Science in Computer Science (in progress) Web Development

- Relevant Coursework: - Web Development: Gained proficiency in HTML, CSS, JavaScript, and responsive design.

- Algorithms: Studied various algorithms and their applications in problem-solving.

- Database Management: Learned to design and manage databases using Mysql.

- Software Engineering: Worked on software development life cycle, including requirements gathering, design, development, testing, and maintenance.
